

Program Ad Sponsorship with Northwest Chorale!

Northwest Chorale has been singing in the Seattle area of over 35 years under the direction of Mr. Lynn Hall, first as *A Musical Offering*, next as *Messiah for Relief*, and presently as the *Northwest Chorale*.

The Chorale customarily presents two concerts in December and two concerts in May (plus, on occasion, participating in local music festivals), performing Handel's *Messiah* on a rotating basis, as well as many other great works of the masters. We are motivated through Handel's example to donate all proceeds from our concerts to help those in need. In the past years, audiences have given generously to charities such as Northwest Harvest. Admission to our concerts is complimentary.
